â€“ 01/25/2022. And
again, a certain
gentleman, whom we call
"Akella", appeared in the
game , since he does not
appear in the news, does
not blog, but simply plays
and wins. His strategy is
simple and
straightforward: he plays
first and wins, then plays

second and loses. Akella has made almost 9,000 moves in the game over the past two days (see chart below). For all the time in Pokemon, Akella made a little more than 8 thousand moves, but for the last few days he has been the first to win.
